UN's Sustainable Development Goals addressed in this Credential

- **SDG 4.** Quality Education
- **SDG 11.** Sustainable Cities and Communities
- **SDG 9.** Industry, Innovation and Infrastructure

Communities in which the Credential holder has engaged

- NextGen Learning Design Lab (NLDL)

Number of completed
activities: 1

Maximum achieved
impact level: 5

This credential is a recognition of the engagement and impact regarding UN's Sustainable Development Goals (SDGs) achieved through mission-driven activities. Signed by the President of EELISA European University in delegation of the nine Rectors, Presidents and Directors of the members of the alliance.

Dale A. Martin
EELISA President

ANNEX: Badges issued in this credential

Community: NextGen Learning Design Lab (NLDL)

Activity name: Generative AI Experience Lab: A Challenge-Based Learning Approach for Creating the Next-Generation Sustainable Building Services

Host Institution: ZHAW

Dates: From 2025-11-11 00:00:00 to 2025-12-09 00:00:00

ECTS: 2

UN's SDG addressed

- **SDG 9. Industry, Innovation and Infrastructure**
- **SDG 11. Sustainable Cities and Communities**
- **SDG 4. Quality Education**

Learning Outcomes

- The learner understands the local, national and global challenges and conflicts in achieving sustainability in infrastructure and industrialization.
- The learner is able to co-create an inclusive, safe, resilient and sustainable community.

This badge is a recognition of the engagement and impact regarding UN's Sustainable Development Goals in mission-driven activities. Issued by EELISA European University and the Coordinator of the EELISA Community NextGen Learning Design Lab (NLDL). The issuance of this badge has been approved by the Academic Coordinator of ZHAW.

Prof. Dr. Manuel Dömer
Academic Coordinator
